## 2025 Valedictorian and Salutatorian

Boscobel Schools is proud to announce that Wyatt Anderson has been named the Valedictorian of the Class of 2025. Wyatt is the son of Alice and Michael Anderson. Besides earning the title of Valedictorian, he has excelled in many extracurricular activities in high school. Throughout high school, Wyatt has played football. He has earned the Academic All-State Award and was honored with the Sportsmanship Award from the Six Rivers Conference. Wyatt also wrestled his freshman and sophomore years of high school. Lastly, he played baseball all four years of high school. Wyatt has been involved with many clubs. Throughout high school, he was active in Leo's Club and the Chess Club. This year, Wyatt is participating in the school play. Our school band has kept Wyatt very busy as he is an integral part of the pep band, marching band, jazz band, and concert band. Last year, he was inducted into the Boscobel Honor Society. Wyatt's plans are to attend the Milwaukee School of Engineering to pursue a degree in Civil Engineering with a concentration in transportation.

Jayzen Brandes-Esser, son of Cody Esser and Jessie Brandes-Esser, has earned Salutatorian honors. Jayzen plans to attend Grinnell College, where he will major in Political Science with a concentration in Public Policy Research. After college, Jayzen plans to attend law school and eventually become a lawyer. Jayzen founded and participated in the Chess Club, he was a member of Student Council, a member of Leo's Club, Freshman Class Secretary, a choir participant, and a member of the Drama Club. Jayzen has been very active in the band department, being part of the concert band, marching band, pep band, honors band, jazz band, solo and ensembles, and UW-Madison Winter Band Clinic. He was also an inductee in the Boscobel Honor Society last year.

The need is constant.  
The gratification is instant.  
Give blood.

# BOSCOBEL AREA SCHOOL DISTRICT

## FACILITIES PROJECT *Update*

Construction crews have made significant progress on the new 4th and 5th grade addition, gymnasium, and district office. Recent work includes:

- » Finishing work on the exterior of the addition, including new signage.
- » Installing casework, cubbies, doors, and windows in the new addition.
- » Installing lighting, fans, gym equipment, speakers, acoustic panels, and painting the wall graphics in the gymnasium.
- » Finishing epoxy floors and installing plumbing fixtures in the locker rooms.
- » Putting up new custom signage at the athletics field entrance.

## EVENTS *and* STUDENT ENGAGEMENT

### » BOSCOBEL HIGH SCHOOL CAREER DAY

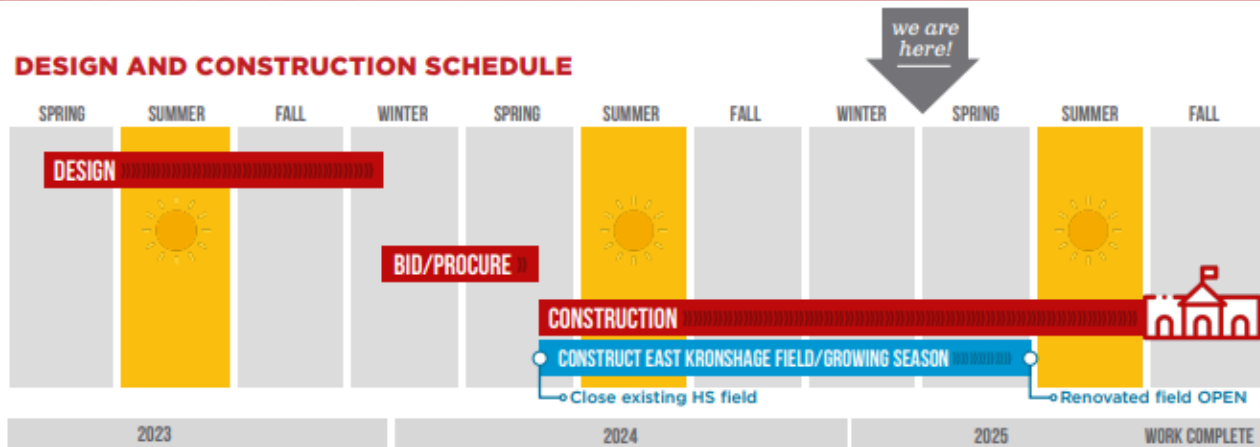

On February 7th, the Findorff team joined approximately 60 other businesses at Boscobel High School for its annual Career Day! This event is an incredible opportunity for students to connect with industry professionals and explore a wide range of career paths. It was inspiring to see their excitement and curiosity as they discovered new interests and potential career opportunities.

## March Celebrates Music in our Schools Month

Music In Our Schools Month is the National Association of Music Education's annual celebration during March which engages music educators, students, and communities from around the country in promoting the benefits of high quality music education programs in schools.

Music In Our Schools Month began as a single statewide Advocacy Day and celebration in New York in 1973 and grew over the decades to become a month-long celebration of school music in 1985.

The Boscobel Music Department has a variety of concerts and events in March to help celebrate Music In Our Schools Month. Please take the time to attend one of the music departments events. We are very proud of the strong music program Boscobel has and continues to grow with your support.

### Upcoming Events:

March 8th: MS & HS Solo and Ensemble @ Riverdale (8:00 - 4:30)

March 10th: MS Band and Choir Pops Concert @ 6:00 p.m.

March 10th: HS Band and Choir Pops Concert @ 7:15 p.m.

March 18th: Jazz Festival @ Fennimore

# TRAVEL EXPLORE

THE WORLD  
at Boscobel MS/High School

Join us in the small gym on  
Thursday, May 1 from  
1:00pm-3:00pm

6th Grade World  
Exposition

## 6th Grade Art Class

6th Grade Art students finished their semester by creating paper mache mask sculptures with partners chosen from among classmates. They designed forms that would stick off the balloon shaped surface, and painted bright colors on the finished faces. Some will be shown off at the upcoming May art show.

## March Newsletter Notes from the Nurse

SHAKEN BABY SYNDROME: Mrs. Brinkman provides this educational presentation for 8th & 10th grade students annually each spring. This prevention education is required by law.

SUMMER CAMPS: The Wisconsin Lions Camp is dedicated to providing a quality camping experience free-of-charge to Wisconsin residents with disabilities. The organization serves the following groups: Blind & Visually Impaired Youth, Deaf & Hard of Hearing Youth, Youth with Epilepsy, Youth with Diabetes, and Youth with Intellectual Disabilities or Autism. Applications and camp information are available at: [www.wisconsinlionscamp.com](http://www.wisconsinlionscamp.com). You may also call (877) 463-6953 or e-mail [info@wisconsinlionscamp.com](mailto:info@wisconsinlionscamp.com).

HUMAN GROWTH & DEVELOPMENT COMMITTEE: Nurse Brinkman serves as the chair of our Human Growth & Development Committee, which meets every two years. The committee will meet this April, 2025. Wisconsin statutes governing Human Growth & Development, current district policy, and curriculums are reviewed at that time.

CPR IN SCHOOLS: Mrs. Brinkman provided lifesaving skills training to students in 8th grade health in December and January. CPR in Schools teaches Hands-Only CPR, AED use, and relief of choking.

LIFEVAC: The LifeVac anti-choking device is an alternative airway clearance method that can provide relief from choking when other standard techniques have failed or are not possible. Several LifeVac devices were donated to Boscobel Area Schools for use in the school buildings and for buses. As a result, all staff were directed to watch the training video and will attend an annual training update. All bus drivers were trained in Heartsaver CPR and First Aid so that they will be able to intervene with standard anti-choking interventions as well as use LifeVac devices and perform CPR or other first aid interventions if needed. LifeVac devices were placed near our AEDs/first aid cabinets in both the elementary and middle/high school buildings, and in the Bulldog Café and elementary gym (spaces where students eat meals). Each bus also received a LifeVac device.

NARCAN: When administered promptly, naloxone (or Narcan®) can rapidly reverse opioid overdoses. Implementation of a naloxone program in schools can save lives. Drug overdose is a concern that affects the entire community, including students and loved ones. Drug overdose deaths have greatly increased among young people and other community members over the last decade. Much of this increase has been driven by synthetic opioids, such as fentanyl. These synthetic opioids may be knowingly consumed or unknowingly consumed when mixed into or sold as other drugs, such as heroin, cocaine, or counterfeit pills. Nurse Brinkman has utilized DPI's opioid antagonist guidance and resources and worked with Unified Community Services of Grant County to implement a Narcan® program. Currently Nurse Brinkman is trained to administer Narcan®. Eventually, additional staff members will be trained to recognize opioid overdose and administer Narcan®.

# Testing News

## PreACT Testing dates

- 9th Grade: April 10
- 10th Grade: April 17

## Forward Exam

### Elementary School

- March 18-21 (ELA): 4th-5th
- April 1-4: 3rd (ELA) & 4th-5th (Math)
- April 8-11: 4th (Sci & SS) and 3rd (Math)

### MS and 10th Grade

- 6-8th ELA: April 1 & April 2—if needed
- 6th-8th grade Math: April 9
- 10th Grade SS: April 10 & 11
- 8th Grade Sci.: April 15
- 8th Grade SS: April 17

# Forward Exam

## 2024-25 Information for Families

### What is the Wisconsin Forward Exam?

The Wisconsin Forward Exam is designed to gauge how well students are doing in relation to the Wisconsin Academic Standards. These standards outline what students should know and be able to do in order to be college and career ready. The Forward Exam is administered online in the spring of each school year for students in:

- grades 3-8 in English language arts (ELA) and mathematics,
- grades 4 and 8 in science, and
- grades 4, 8, and 10 in social studies.

Accommodations and supports for students with disabilities and English learners are built into the system so that the progress of students can be accurately measured.

### What does this mean for my child?

The Forward Exam is a summative assessment that gauges your child's achievement in the content areas tested in relation to grade-level standards. It provides a broad measure of achievement that should be used along with

local measures such as report cards, school-wide assessments, and other information about your child's progress in school.

### When does the Forward Exam take place?

The Forward Exam will be given in schools between March 17 and April 25, 2025. Schools are permitted to select their own testing dates within this window.

The estimated time for test administration in each grade is approximately:

- 115 minutes for ELA,
- 90-115 minutes for mathematics,
- 105 minutes for science, and
- 70 minutes for social studies.

These estimated times are for the purpose of scheduling, as **the Forward Exam is not a timed test**. It is important to note that students may take more time or less time to complete the test based on effort and ability levels.

## What type of scores will be provided?

The Forward Exam is a summative assessment that provides information about what students know and can do in relation to the Wisconsin Academic Standards. Students receive a score based on their performance in each content area. Each score will fall in one of four levels:

**Advanced** - The student demonstrates a thorough understanding of the knowledge and skills described in the Wisconsin Academic Standards for their grade level and is on-track for future learning.

**Meeting** - The student is meeting the knowledge and skill expectations described in the Wisconsin Academic Standards for their grade-level and is on-track for future learning.

**Approaching** - The student is approaching the knowledge and skill expectations described in the Wisconsin Academic Standards for their

grade-level needed to be on-track for future learning.

**Developing** - The student is at the beginning stages of developing the knowledge and skills described in the Wisconsin Academic Standards at their grade-level needed to be on-track for future learning.

## Where can I find sample or practice test questions?

The Forward Exam Practice Test provides student, families, and educators, with a sample of the type of content and questions students will encounter on the Forward Exam. It also allows students to familiarize themselves with the question formats and online testing platform including the tools available to them

during testing. The Practice Test is not scored and does not cover the full range of content on the exam. The Practice Test is approximately two-thirds the length of the actual Forward Exam and is intended to provide all students with the opportunity to become comfortable with the Forward Exam platform prior to testing.

The Forward Exam Practice Test is available for student use online, in the classroom or at home at

<http://dpi.wi.gov/assessment/forward/sample-items>.

For more information about the Forward Exam contact the Office of Educational Accountability at [osamail@dpi.wi.gov](mailto:osamail@dpi.wi.gov) or visit <https://dpi.wi.gov/assessment/forward>.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at:

[http://www.ascr.usda.gov/complaint\\_filing\\_cust.html](http://www.ascr.usda.gov/complaint_filing_cust.html), and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9892. Submit your completed form or letter to USDA by:

mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SW Washington, D.C. 20250-9410

email: [program.intake@usda.gov](mailto:program.intake@usda.gov)
